5 (6) octaves handbells
5 octaves handchimes

Difficulty: Level IV+

CREATION ETERE

Timothy H. Waugh

From the Top Music
Albuquerque, NM
www.FromTheTopMusic.com

CreationEtere: The Inspiration

The Creation Window in Christ Church United Methodist in Charleston, WV, plus the Columbia disaster, combined to inspire Tim to write *CreationEtere*. Tim began writing this piece while viewing this fabulous window, and just a few days later, the Columbia disaster occurred. Both had a profound effect on Tim:

"One of the most striking things to me was the uncanny similarity of the photograph of the disaster and the Creation Window. I was taken with thoughts that disaster and profound sorrow could be connected with creation and celebration of life... and these thoughts formed strongly in my thoughts for the piece."

Tim has creatively incorporated portions of *Arise* from Southern Harmony and *O Filii et Filiae*, a 15th century French carol in this piece.

Copyrighted material. *CreationEtere* was originally a commissioned work and Tim also views it as a tribute to all those who have sacrificed their lives to further exploration in space. (Please see dedication.)

In early 2008, an mp3 of *CreationEtere* was played aboard the International Space Station.

Handchimes Used: 5 Octaves

Performance Note

Meas. 1-4, is written in *aleatoric* style ('chance' music) -- like the random tones of wind chimes or sound of rain on the roof, not having a defined pattern, but rather, being interpreted by the ringers without direction. The whole notes in the handbell part are only used to indicate the note to be rung, not the beat nor the duration of the tone.

The director only signals the handchimes on beat one and then the end of each measure as the downbeat is given for the next measure. The handbell notes should be rung slowly and evenly, with no *cresc.* or *decrec.* to produce a very peaceful and ethereal sequence.

*Commissioned by Donna L. Kinsey
for the 20th Annual Morgantown Handbell Festival and the
Dedication of St. Francis de Sales Church, Morgantown, WV*

CreationEtere

*Dedicated to the memory of the seven astronauts whose lives
were lost with the space shuttle Columbia - February 1, 2003.*

Slowly; ethereal

Timothy H. Waugh

Handbell notation for measures 1 and 2. The notation is for four handbells. The first measure starts with a bell on the treble clef line. The second measure begins with a bell on the bass clef line. Various red diamond-shaped performance marks are placed above the notes.

Copyrighted material.

Handbell notation for measures 3 and 4. The notation is for four handbells. The bells play a continuous pattern of quarter notes. Red diamond-shaped performance marks are placed above the notes. A stylized illustration of a figure in motion is overlaid on the music staff.

Handbell notation for measures 5 through 9. Measure 5 shows a rest. Measures 6 and 7 show a dynamic marking ***mf*** followed by the instruction "building in intensity". Measures 8 and 9 show a return to a previous dynamic level. Measure 9 ends with a forte dynamic.
