# Vivir

(To be Alive!)

Cat. 20261  
AGEHR Level I+

Handbells Used: 3 Octaves

## Performance Note

*Vivir* - 'to be alive.'

The body of the work is interpretive of the span of one's life from pre-natal stages to the moment of death.

To best convey this meaning to the audience, please do the following:

mm. 1-8: All ringers, (whether or not playing) begin with the bells or chimes down in m. 1, gradually raising to normal performance level by m. 9.

mm. 83 to end: All ringers (both playing and not playing) gradually raise bells above their heads, reaching 'toward the heavens' as the director indicates, in a slow, ascending shimmer.

Andante ♩ = 85
